TERMS AND CONDITIONS

Orders

Due to the fresh nature of our produce, returns of perishable goods cannot be excepted. Should there be an incorrect or spoiled item in your delivery or on your event table, we must be informed within 1hr of the produce being received to offer replacements or refunds. Images of defective or incorrect items will be required.

Cancellations and Order Changes

Once a client has received their confirmation from Isalie, they have 5 days before delivery to cancel or make amendments. Beyond this time, we are unable to process any changes.

Food and Produce

As our produce, stock and garnishes are sourced weekly and can be seasonal, they are subject to availability and substitutions. Although most items on our menus are handmade by us, there may be changes to stock. However, we will also use an alternative or make more of another menu item to compensate.

Food Handling

When lunches and feasts are received, they need to be consumed within 4 hours, on the same day. It is the responsibility of the client to dispose of the food if kept unrefrigerated beyond 4 hours, to comply with UK Food Standards. By agreeing to our terms and conditions, the client is agreeing to dispose of any food after this set time. Isalie will not be held responsible for any adverse reactions to our food consumed after this time.

Dietary Requirements and Allergies

Please notify us of any allergy and dietary requests upon ordering your menu choices. However, we cannot accommodate serious allergy requests due to the high risk of contamination. If you, or your guests/clients have a severe allergy, please be aware that we cannot guarantee if a product is completely free from traces of the main 16 allergens listed below:
